**Exemption pending completion of alternate requirements (EPC):**

The following course(s) or course of study must be completed for pending credit to be awarded. No credit will be listed on a transcript without written notification that the student has completed the alternate requirements.

---

---

\* If credit is being granted based on work at another graduate school or seminary, please provide a copy of the student's transcript which may be available from the National Office of Recruitment & Admission.

Credit from other graduate schools/seminaries may be transferred to HUC-JIR as equivalent credit toward the student's academic program; **undergraduate coursework may not be used for credit at HUC-JIR.**

If a student is being exempted from a core course requirement based on testing, life experience, or undergraduate study, the student will be exempt from the course requirement without credit, and will need to make up the exempted credit hours with an elective course.
