URJ.org: Jewish Holiday Resources - Hanukkah
http://urj.org/holidays/chanukah/
Tons of websites, program resources, recipes, music and educational articles for and about Hanukkah.

Chabad.org: Jewish Holidays – Chanukah
http://www.chabad.org/holidays/chanukah/default_cdo/jewish/Chanukah.htm
Another excellent resource site, with basic Hanukkah information, multimedia, and special features such as Facebook Hanukkah cards, menorahs around the globe and a separate kids page.

BabagaNewz.com: Hanukkah Central
http://www.babaganewz.com/holidays/index.cfm?cat=23&sub=hanhome
Online games, activities and information for kids about Hanukkah. I particularly like the "Dreidel Factory," where you can design your own dreidel, print it out and play with it.

RAC.org: Religious Action Center of Reform Judaism
http://rac.org/pubs/holidayguides/chanukah/
Sustaining the light: A Social Justice Program Guide for Chanukah
Program ideas and resources for linking pertinent social justice themes like the environment, economic justice, and religious liberties issues with the themes of Chanukah.
