TUITION AND FEES POLICY for ACADEMIC YEAR 2026-27

For all its students, HUC strives to ensure that financial concerns are neither an obstacle to enrolling nor a challenge to successful academic progress. To this end, the College offers significant financial assistance in the form of institutional scholarships and access to federal loans. HUC also recognizes that unforeseeable financial hardships occasionally arise for students and may require payment deferrals or other extraordinary assistance. We encourage all students to contact the financial aid office for further information and assistance. The Board of Governors of Hebrew Union College reserves the right to revise this policy statement and the attached tuition and fees schedule at any time.

Full-time: Students enrolled for 9 credit hours or more each semester (or its equivalent) are considered full-time students and their fees are assessed according to the full-time fee schedule. Rabbinical and Cantorial students are considered full-time students during their 5th year; continuation fees and thesis/final project fees will be charged in subsequent years if course work is complete.

Part-time: Students enrolled for fewer than 9 credit hours each semester (or its equivalent) are considered part-time students and their fees are assessed according to the part-time fee schedule.

Auditors (non-credit): All auditors including HUC alumni, community clergy and professionals must pay a fee per credit hour according to the part-time fee schedule.

Withdrawal: Dropping or withdrawing from individual courses or withdrawing from all courses must be initiated by the student in writing through the Registrar’s Office. Actions which are not considered as official notification of withdrawal are: failure to attend class, giving notice to an instructor, stopping payment on a check used to pay fees or verbal notice to any College office. The effective date of a withdrawal to be used in determining refunds is the date that the registrar receives written notification of withdrawal from the student.

Refund: Most tuition and fees are refunded in accordance with the schedule below.

| Withdrawal | Refund |
|---|--------|
| During the first and second weeks of a semester | 100% |
| During the third week of a semester | 50% |
| During the fourth week of a semester | 25% |
| After the fourth week of a semester | None |

For courses that are shorter than a full term, tuition and fees are refunded in accordance with the schedules below.

Courses that are Less than 4 Weeks in Length

Items not subject to refund include application fees, registration fees, summer term Year-in-Israel fees, student activity fees, continuation fees, student health fees, graduation/ordination fees and any other charges. Students will not receive any payments or refunds until all Title IV funds and other scholarships, as required, are reimbursed and any outstanding balances with the College are paid in full.

UNPAID TUITION, FEES AND OTHER CHARGES FROM PRIOR SEMESTERS

Each semester's tuition, fees and other charges must be paid in full by the assigned payment due date given for each semester. Semester payment due dates are displayed at <http://huc.edu/admissions/student-billing>, and in Canvas. Also, each semester must be paid in full to register for coursework. Student accounts not paid in full by the specified payment due dates will be subject to a Business Hold that will prevent the registration of future coursework, a Late Fee of \$150 plus interest at a rate of 1% for each month the account remains delinquent. Late fees will not be waived for any reason once applied to a student's account. Diplomas will be issued only to those students who have: (1) paid all outstanding obligations to the College Institute (tuition, fees, or other charges); and (2) have returned all outstanding library materials.

ACADEMIC YEAR AND ANNUAL FULL-TIME TUITION DEFINED

1. An academic year is defined in the order of Summer, Fall and Spring semesters.
2. The College-Institute's full-time annual tuition is for the entire academic year, except for the Year-in-Israel summer term.
